**SPECIAL NEEDS FORM**

We need to know if you have any special needs during the course. Your needs may range from diet to visual impairment. Understand that Camp Betz is a typical Scout camp with hilly terrain and no pavement. Help us make the course meet your needs.

Participant name: \_\_\_\_\_

**Dietary needs:**

Food allergies, Vegan, for example. We are cooking for 70 and it is difficult to accommodate individual preferences but we will make every effort to address your diet. If you have a very specific medical or religious diet and need special types of food we may ask that you provide us with those items and we will store and prepare them as needed under your direction.

**Medical needs:**

Ranging from electricity for CPAP machines to refrigeration for medicine.

**Mobility needs:**

We have a golf cart to help those who have difficulty walking long distances.

**Auditory/Visual needs:**

We will try to locate you to see and hear the program better. Part of our program is out of doors and that part of the program may be difficult to enhance.
